The FY13 budget reflects the May 2012 Town Meeting appropriation of \$51,112,681, plus cumulative budget transfers made since the beginning of the fiscal year. (A listing of the budget transfers made during the first quarter is included as Attachment A.) In prior years, the amended budget also included encumbrances rolled forward from the preceding fiscal year. Since FY05, however, these 'prior-year encumbrances' have been segregated to a separate fund within the Town's accounting system, and are not included in the school operating budget. A summary of prior-year encumbrance activity is presented below.

As of September 30, the regular School Operating Budget was 10.3% expended, compared to an overall (weighted) target ratio of 10%. Approximately 10.4% of the appropriated salary budget has been spent to date, compared to a target rate of 10%, reflecting the fact that teachers - the largest group of employees - have received approximately 8% of their annual pay. The purchase of service accounts are 6.5% expended, compared to a 10.1% target rate. The low expenditure rate of purchase of service accounts reflects the fact that services are billed in arrears and that many first quarter special education tuitions were pre-purchased from FY12 funds. The expense accounts are 25.3% expended, compared to a 10.6% target ratio, reflecting the fact that supplies are purchased in bulk at the beginning of the school year. The van replacement allowance of \$26,000, budgeted as capital outlay in FY13, has not yet been spent.

Funds have been encumbered to purchase an additional \$4.5 million in goods and services. (An encumbrance is a 'reservation' of budget funds, which have been set aside to pay anticipated expenditures.) When these additional encumbrances are added to year-to-date expenditures, the overall 'expenditure' rate climbs to 19.2%

of total budgeted funds. Purchase-of-service accounts are expended/encumbered at a rate of 83.7% and expense accounts are encumbered at a rate of 49.4%, reflecting Needham’s practice of encumbering anticipated annual expenditures at the beginning of the year.

The School Department pre-purchased a total of \$926,582 in FY13 special education tuitions from the FY12 operating budget. (A total of \$976,860 was encumbered, but \$50,278 could not be purchased, due to changing student circumstances, for a net pre-purchase amount of \$926,582.) This pre-purchase activity was done for the purpose of freeing up FY13 budget funds to cover the following planned expenditures: 3.68 FTE unanticipated enrollment teachers and special education support positions (\$184,505), \$240,000 in newly identified special education tuition expenses in excess of budget, \$172,920 to provide for the one-time needs identified on the June 14, 2012 End of Year Expenditure Planning memo to the School Committee and \$350,000 to provide for additional special education contingency in FY13.

Attachment B presents year-to-date expenditure, encumbrance and target rate information for all school operating budget line items.

Prior-Year Encumbrance Summary:

<u>Prior Year Expenditure Category</u>	<u>Prior Year Encumbrance</u>	<u>Spent</u>	<u>Liquidated</u>	<u>Remaining Encumbered</u>
Salaries	-	-	-	-
Purchase of Service	1,161,837	943,979	175,332	42,526

<u>Capital Outlay</u>	<u>295,238</u>	<u>1,764</u>	<u>36</u>	<u>293,438</u>
TOTALS	1,554,070	1,011,971	186,383	355,716

A total of \$1,554,070 was encumbered at the end of last year to pay FY12 expenses and pre-purchase tuitions. By September 30, \$1,011,971 (65.1%) of these encumbered funds had been used to pay invoices received after July 1. An additional \$186,383 (12.0%) was liquidated because they were no longer needed. The remaining \$355,716 (22.9%) remains open to pay pending invoices. The open purchase orders include approximately \$270,000 to complete the installation of a new Town-wide financial system. The School Accounting office will begin the process of reviewing open encumbrances during the second quarter, to determine whether or not invoices remain to be paid, or whether the encumbrances may be liquidated.

Grants, Donations & Revolving Funds:

Needham also receives revenue from state, federal and local grants, donations and school-sponsored fee-based programs. A summary of first quarter balances in these accounts is presented below:

<u>GRANT, DONATION & REVOLVING SUMMARY</u>	<u>CARRY OVER BUDGET</u>	<u>CURRENT RECEIPTS</u>	<u>YTD ACTUAL</u>	<u>CURRENT ENCUMBERED</u>	<u>TOTAL EXPENDED</u>	<u>VARIANCE</u>	<u>STATUS</u>

To date, Needham has been awarded \$4.2 million new federal, state and local grants, of which 5.1% have been expended or encumbered. Since the federal grant period extends through August 31, expenditure activity will continue throughout the remainder of this fiscal year and into the summer to provide for special education student needs and professional development/curriculum planning events for teachers.

Needham Public Schools also operates donation and revolving accounts. Donation accounts contain funds given by PTC's, other organizations and private individuals to support instruction and co-curricular activities, such as athletics. To date, \$28,094 in donated funds have been received. Additionally, the PTC's donate in-kind goods and services, the value of which is not reflected in the totals above. Since donation accounts are rolling accounts, any unexpended funds at year-end will roll forward to FY14 as available revenue.

Finally, the School Department operates several fee-based programs in separate revolving accounts. These programs, which include Food Services, Athletics and Community Education, are mostly self-sustaining; program expenses are paid from fees charged to program participants. (The operating budget funds portions of the athletics, transportation and preschool programs.) Since balances in these accounts also roll forward from year to year, these accounts are called "revolving funds." To date, \$1,287,835 in user fees have been collected to support these programs. Unexpended funds at year's end will roll forward to FY14 as available revenue.

A report summarizing FY13 first quarter expenditure activity in school grant, donation and revolving accounts is presented as Attachment C.

Trust & Agency Accounts:

The School Department also has access to several investment accounts, which are held in trust for a specific purpose, or on behalf of another party. The Town's Trust Fund Commissioners are responsible for investing and managing the trust funds, which consist of scholarships for students and funds to support operations. The School Department also acts as fiscal agent for monies collected by students in support of their own activities. These student activity funds do not belong to the School Department, but rather belong to the students. Trust and agency accounts exist outside of the regular school operating budget, in separate, specialized accounts. A summary of the first quarter balances in these accounts, is presented below:

SCHOOL TRUST & AGENCY FUNDS SUMMARY	BEGINNING BALANCE 7/12	YTD CONTRIBUTIONS	YTD DISBURSEMENTS	YTD EARNINGS	YTD BOOK VALUE	UNREALIZED GAIN/(LOSS)	YTD EST MARKET VALUE	STATUS

	3,210,850	53,109	187,393	-	3,076,566	-	3,076,566	

The current book value of the school trust funds (including scholarships and awards) is \$3.1 million. Since the beginning of the fiscal year, donors have contributed \$6,605 to support scholarship activity at Needham High School. The current balance in the student activity accounts is \$236,731, which reflects current year fundraising of \$46,504 and expenditures to date of \$54,197.

A report summarizing FY13 first quarter expenditure activity in the school trust and agency accounts is presented as Attachment D.

School Cash Capital Funds:

Expenditure activity in school capital accounts is presented in the chart below. The chart includes only those projects for which funds have been appropriated to the School Committee. Construction projects are managed by the Permanent Public Building Committee (PPBC), facility maintenance projects are managed by the Public Facilities Department and athletic facility projects are overseen by the Parks and Recreation Department.
