READER'S GUIDE TO THE FISCAL YEAR 2022 PROPOSED ANNUAL BUDGET

The Proposed Annual Budget document is more than estimates of revenues and expenses; it is a reflection of the Town's values, priorities and goals. The budget document serves as a policy document, a financial guide, and a communication device. This guide was created to help orient interested readers by providing a brief overview of the budget process, as well as an explanation of the organization of the budget document itself. Presented in distinct sections, this budget document provides both general and specific data, including line-by-line department spending requests.

THE BUDGET APPROVAL PROCESS

The Town Manager, the Finance Committee, the Select Board, and the School Committee all play different and important roles in the budget process. The General By-laws of the Town of Needham provide for the following process:

2.2.1 Operating Budget The Town Manager shall issue budget guidelines and instructions for all Town departments to submit their spending requests for the ensuing fiscal year. The Town Manager shall consult with the Finance Committee prior to the issuance of said guidelines and instructions. The Town Manager and School Superintendent will provide the Finance Committee with copies of their respective departmental spending requests on or before the 2nd Wednesday of December. Following receipt of these spending requests, the Finance Committee may begin its consideration of same, including the commencement of budget hearings. The Town Manager, after consultation with the Select Board and School Committee, shall not later than the 31st day of January, present to the Finance Committee a balanced budget recommendation in the form of an executive budget, which shall include the spending priorities of all Town departments for the ensuing fiscal year, including in addition thereto, the voted School Committee budget request if different than that contained in the proposed balanced budget. The Town Manager's executive budget recommendation shall not be binding on the Finance Committee. Said executive budget recommendation shall include the estimates of Town revenues and proposed expenditures of all Town departments, including debt service and other amounts required to be raised for the ensuing fiscal year. The Town Manager may amend or otherwise revise revenue estimates as may be warranted. All such revisions shall be provided in writing to the Board of Selectmen, School Committee and Finance Committee.

The Legislative body of Needham's Town government is Representative Town Meeting. This is a unique form of government in New England that sets it apart from most other sections of our country. The Town is divided into ten precincts, and each precinct votes for 24 representatives to the Town Meeting. There are a total of 240 elected Town Meeting Members. In addition there are 14 Town Meeting members at large, each of whom shall have the right to vote in said meeting: (a) any resident member of the General Court from the Town, whose state legislative district is wholly within the town; (b) the Moderator; (c) the Town Clerk; (d) the members of the Select Board; (e) the chair of each other elected board of the Town, except the Housing Authority and the Commissioners of Trust Funds.

It is important to understand this structure, as no budget or fiscal appropriation can be made without the approval of Town Meeting Members at either the Annual Town Meeting, held the

first Monday in May each year, or at a Special Town Meeting, held in the spring or fall of each year, or as otherwise needed. The Town Manager presents a proposed annual budget to the Finance Committee for its consideration, and the Finance Committee then forwards its proposed budget to the Annual Town Meeting for appropriation. The final budget voted by Town Meeting constitutes the legal budget authority which ultimately governs the manner and amount of local funding expended during the fiscal year. This document presents information on the General Fund, and two Enterprise Funds, all of which must be appropriated by Town Meeting in accordance with State law.

Readers should also obtain a copy of the Annual Town Meeting Warrant, which contains the actual budget articles to be voted upon. The Warrant is available in April at www.needhamma.gov under the Town Government / Town Meeting listing.

THE BUDGET PROCESS/CALENDAR

In order to be ready for the Annual Town Meeting vote, the budget development process actually begins a year earlier.

Budget guidelines were distributed to departments, boards, and committees on October 6, 2020, with spending requests due on October 26, 2020. The senior management team held budget review meetings with all departments during the month of November. Finance Committee and Community Preservation Committee liaisons were invited to attend these meetings in order to prepare for their own deliberations. Discussions with the Select Board, Finance Committee, and School Committee continued during the fall and winter. The Town Manager's official budget consultation with the School Committee occurred on January 5, 2021.
